## Crown Christian School Apparel

We are working with Geared Up Sports for new T-Shirts, Polo Shirts and Sweatshirts. You may order and pay online at: <https://crownchristian.itemorder.com>. The website will be open until Feb. 16th after which they will make up the clothing and we will have them available at school for you to pick up. We will be placing another order in at the start of the next school year.

## School Year 2018/2019

We are starting to plan for the 2018/2019 school year. If you haven't already done so, please return the Intent to Enroll Form that was sent home last week. It is very important for us to get an idea of how many students and classrooms we will need to plan for so we ask that you fill the form out and get it back to us A.S.A.P. Thank you.

## Box Tops for Education

Please keep saving up your boxtops. We wish to have a roller skating party at Thunderbirds in Princeton before the year is out but are hoping to have enough Boxtops to cover the cost. Our goal is \$550 worth of Boxtops and to date we have about \$200 worth. Please keep asking relatives, neighbors and friends to give their Boxtops to Crown Christian School!
